

**Resolution to Hold Washington State Elected Officials Accountable
For following the Washington State Democratic Party Platform**

WHEREAS, the Washington State Democratic Party (our Party) has a process for creating the party's platform;

WHEREAS, the platform process includes Party members and elected officials throughout Washington state;

WHEREAS, our Party's platform is an expression of the values and mission of the Party;

WHEREAS, Democrats elected to office representing jurisdictions in Washington State agree to support and work for the tenets of our Party as laid out in the platform;

THEREFORE BE IT RESOLVED, that our party representatives and constituent caucus representatives develop a scorecard based on our party's platform, and that elected officials who don't support the Party platform with their votes, actions and deeds at least 80% of the time shall not receive any support in the form of contributions, labor, marketing or advice from the Washington State Democratic Party.
